### **Church Worship Pianists**

The United Church of Mapleton seeks several pianists to join a rotating pool of musicians to accompany congregational hymn singing for Sunday morning worship services. We are seeking 4 – 6 more pianists to join several other pianists currently serving in this capacity. Either piano or organ skills are sought.

The United Church of Mapleton is a traditional, mainline, American Baptist/United Church of Christ congregation with an average Sunday attendance of about fifty that currently uses the hymnal *Worship & Rejoice*.

Pianists/organists from this pool will also be asked, as available, to provide accompaniment for appropriate seasonal/occasional services, such as Lenten Wednesday evening services including Ash Wednesday, Maundy Thursday, Good Friday, Christmas Eve, funerals, weddings, etc.

If interested, please call or mail/email your résumé (and a recording of your piano playing skills, if available) to contact information as listed above. Compensation per service is currently \$50, but is open to negotiation.
